# Supporting your studies

The Western Australian Government currently offers the Premier's Western Australian Certificate of Education (WACE) Scholarship to help international students with their living, travel and study expenses in Western Australia.

Home to one of the most liveable cities in the world, Western Australia has over 140 quality education and training providers offering world-leading programs in high-demand industries like engineering, health, technology and education.

**The WA Premier's WACE scholarships available to successful international WACE graduates include:**

**\$50,000**

**WACE Scholarship of Excellence** awarded to up to two international WACE graduates with the highest academic achievement.

**\$30,000**

**WACE Scholarship** awarded to up to 30 high-achieving international WACE graduates.

Applicants must meet the following eligibility criteria including but not limited to:

- Have completed their WACE at an approved offshore school within 12 months of submitting an application or be an offshore Year 12 WACE student on track to complete their WACE within the next 12 months.
- Have enrolled or plan to enrol at a Western Australian university or tertiary pathway provider to study full-time in Western Australia.

"I chose to study in Western Australia because it has beautiful beaches and I would like to experience the culture of Australia." – Andy, Bachelor of Business

"The scholarship will help me cover my rent, food, and extracurricular activities, allowing me to fully focus on my studies." – Lam, Bachelor of Biomedical Science
